## CAPT. DIAMOND WILL APPEAL; PHILBIN AIMS AT DEVERY.

Prosecutor Would Put "Big Chief" Where Bissert Is Now—Says Fine of \$1,000 Imposed To-Day Exceeds Legal Limit.

The attorneys for Capt. Diamond have served notice that they will appeal from the verdict of guilty. The appeal will be filed on Friday.

The verdict in the Diamond case, following close upon the conviction and imprisonment of Bissert, has given renewed confidence to the men who have been fighting blackmail and corruption in the Police Department.

District Attorney Philbin feels sure now that he can wage a successful war against the "higher-up" officials, and he is training his batteries on the "Big Chief," Devery.

Mr. Philbin said to-day that the conviction of Diamond does not in itself drop him from the Police Department. He declared, however, that he would bring charges before Commissioner Murphy looking to the removal of the former "Red Light" commander from the police force.

As the result of a conference with District Attorney Osborne over the long-distance telephone, Mr. Philbin announced to-day that the fine of \$1,000 imposed on Capt. Diamond is in excess of the legally prescribed maximum. He said that steps would be taken to have the sentence revoked and reimposed within the limits of the law.

ALBANY, Nov. 27.—Police Captain Thomas J. Diamond, of the Fifteenth Precinct, New York City, was found guilty to-day of having wilfully failed to suppress a disorderly house in the "Red Light" district. The technical charge was "wilful neglect of duty."
